Regarding your application for the Master's programme in Innovative Communication Technologies and Entrepreneurship (Copenhagen)

Date: 18-apr-2017

Registration number: 110494LIA2

Dear Livia Elena Anghel,

You have applied for the Master's programme in Innovative Communication Technologies and Entrepreneurship (Copenhagen) .

In order to complete your application, you need to provide further documentation.

Request for further documentation:

- Official curriculum (official description of your bachelor studies, including course descriptions). This document is not to be confused with transcripts or diploma. If you do not have such a document or if your home university is unable to provide one, instead please upload a PDF where you write "Curriculum not available"
- English test or an official receipt confirming that you have registered for one of the tests we approve (see [HERE](#))
- If you already took one of the mentioned tests in connection with your admission to another recently completed education at a Danish University or a Danish University College, we will accept this tests even if it is more than 2 years old. But the test score must meet our [minimum score requirements](#).
- Please also note that we will accept a "Realkompetencevurdering" from Danish VUC stating that your English qualifications correspond to English at B level. This is only an option if you are already in Denmark.

The document(s) must be uploaded latest on April 25, 2017. If you do not upload the required document(s) within this deadline, your application will be rejected and not processed further.

The requested documentation must be uploaded in the application portal. Go to the tab "See status of applications", and find your application. In the last column "Action", you will have the option to "edit application". You will then be taken to the application process. Go to the step "Requirements and prerequisites". Notice sections marked in yellow/orange - this is where you need to upload the required documentation. Please note that more than one section may be marked in yellow/orange. You need to upload documentation to each section marked in yellow/orange. Once you have done so, you are ready to submit your application in the last step "Send application".

If you make inquiries to Aalborg University, please state your registration number which is located in the upper right corner of this document.
